

FAHHE 100% Fundraiser

Dear Parents and Guardians,

Fundraising is critical for schools to assist in acquiring technology replacements, supplies and extras that fall outside of or beyond the annual budget. FAHHE has decided to offer a 100% Fundraiser to be accessed in lieu of the traditional fundraisers. The best part is that **100% of the proceeds** go straight to FAHHE to support the immediate improvements requested by the School Council! If you would rather participate with cash than your time or energy, read on!

\$_____ : I am making this donation to express my appreciation that I do not have to:

- Buy anything, sell anything to my friends, family and co-workers
- Participate in any activity that includes “thon”
- Dance or sit on the gym floor watching a movie

All I have time and energy for, is to fill out and return this form with a cheque/
e-transfer.

**** All payments and forms are due back to the school office**

NO LATER THAN November 20, 2024 **

Please place all forms and cheques in a sealed envelope labeled “100% Fundraiser”.

Cheques should be written out to the Fundraising Association for Heritage Hills
or FAHHE.

**** Want to go paperless? ****

1. Send your e-transfer to Katie at: fahhe.treasurer@gmail.com
2. Email this form to Jen and Andrea at: fahhe.president@gmail.com
3. CC Katie at: fahhe.treasurer@gmail.com

There will still be other fundraising opportunities throughout the school year which you will be notified of. Please know, participation is optional. **Thank you for your support!**
