Happy New Year!! We hope everyone is well rested after having two weeks off; I'm sure the kids are, but maybe not us parents!! We had a great start to our school fundraising year in 2024 and can't wait to finish it off in 2025! Please see below for all the FAHHE important updates.

### Volunteering

We want to thank everyone who has volunteered both in person and behind the scenes. We couldn't ask for a better HHE family; everyone has been so supportive and available when it's time to volunteer.

A quick reminder to all volunteers to please exit the school as soon as the volunteer activities are complete, while a quick hello to your child is more than acceptable we ask that you do not linger.
